GOLDEN HOPE MINES RE-FILES 2005 MD&A AND CERTIFICATES

January 3, 2007

SUPPL

Golden Hope Mines Limited announces that, at the request of the Ontario Securities Commission, it has re-filed its Management Discussion and Analysis (the “MD&A”) and its certificates (the “Certificates”) of the CEO and CFO in respect of its annual filings for the year ended December 31, 2005 which had been previously filed. The re-filing of the MD&A’s was necessary due to the omission of management’s positive conclusion with respect to its assessment of the Company’s disclosure controls. The re-filing of the Certificates was necessary due to the use of outdated forms in the previously filed certificates.

ON BEHALF OF THE BOARD
